What about me?...

It is estimated that 30-40% of married Christian men struggle with some sort of sexual compulsion or addiction. Although recovery resources are slowly becoming more widely available for *them*, healing and support for the spouses and loved ones that have been deeply wounded by their struggle is often difficult to find.

"Partners" is a biblically-based program addressing the three key needs of these women:

- · support and encouragement
- education
- · personal healing.

If your husband's sexual behaviors have turned your life upside down, whether you're still together or not, we invite you to join a *Partners on the Journey* small group. Facilitated by someone who has experienced the very same things you're experiencing, these groups address the very private issues relating to sexual addiction, honestly, directly and confidentially.

WHEN?

Our spouse's groups normally meet twice a month. Morning groups meet from 10 am-noon; evening groups from 7-9 pm.

New participants can join any time. Call or e-mail (numbers below) for details on current groups.

WHERE?

For confidentiality reasons, the Bellingham location and group schedule is only disclosed upon registration.

COST?

\$20 per session. If paying by check, it should be made payable to "Life More Abundant Network" or "LMA" We will also be using two workbooks:

- "The Genesis Process Change Group Book"
- "When Sex Causes Heartbreak Version 1"

If you do not already own them, they will be available for purchase at your first session—\$25 for the two books.

ANYTHING ELSE I NEED TO KNOW?

A small amount of homework will need to be done outside the group between sessions. Participants who are able to genuinely invest themselves in the exercises will find that the benefit they receive will increase exponentially.
